Uniport Agencia Maritima Ltda; was founded in February 1984 by Moacyr Bonelli and is established in Vitória - ES, Brazil, as a Shipping Agency and Port Operator. Uniport is able to attend vessels at the ports of Vitória, Tubarão, Praia Mole, Portocel and Ponta de Ubu located in Espírito Santo State, as well as at all other Brazilian Ports through Sub-agents and Associates.

Uniport is a family Company and presently, apart from the Senior Partner Moacyr Bonelli, the Company has three more partners: Sergio Luiz Bonelli, André Luiz Bonelli and Kathya Bonelli Bachour with national and international academic degrees and large experience in Shipping Agency and Port Operations.

During all this time, Uniport has provided an efficient and high quality service to charterers, operators and shipowners of bulk cargoes and liners, dealing with many kind of products such as pig iron, steel products, iron ore, coal, grain, cars, being specialized also in Ro-Ro operations.

Uniport has also a qualified staff for attending vessels and shipping documentation as per any contractor's needs and strongly committed with our motto: "A reliable link for your company."

The Uniport reliability is pictured through the good relationship with Port Authorities, Ports and Terminals managements, Importers, Exporters and mainly for all services rendered to several qualified companies (Charterers and Owners).

Infra-structure
With a privileged location at Brazilian Coastal, Espírito Santo State has an excellent Port Complex, being an open gate worldwide.
